

## Advertising on JETNET Global

JETNET Global is a primary source for business information in the aviation industry. With real-time data updates, industry events, aviation products, and dealer aircraft listings, JETNET Global has more high quality, verified aircraft listings than any other industry data source.

- **Dealer Aircraft Listings** - Within JETNET Global only dealers may advertise their for sale aircraft. Note that existing JETNET Evolution customers may list their aircraft for FREE. Aircraft for sale listings by dealers that are not JETNET customers are available for:
  - \$100 per month for 0-5 aircraft
  - \$200 per month for 6-10 aircraft
  - \$300 per month for 11-25 aircraft
  - \$400 per month for over 25 aircraft

- **Tile Advertisements** - Graphic advertisement tiled on pages in designated business areas tailored to meet your target customers.
  - Specifications: 260 pixels wide by 140 pixels high, Less than 50K in size.
  - Tile advertisements will appear on 2 pages within the site, rotating in one of 10 positions. Page selections include: (1) Home Page (2) Aircraft for Sale Page (3) Dealer Listing Page (4) Links Page (5) Events Page (6) News Page (7) Products Page
  - Ad placement is only guaranteed for the duration paid for/reserved by the customer (all other placements are available for sale to customers)
  - Cost: Tile Ads will cost \$200 per month (\$100 for JETNET customers) for the 2 page placement and an additional \$100 per month (\$50 for JETNET customers) for each additional placement page.
- **Event Listings** - JETNET Global provides a list of aviation industry events for public access. If you or your organization has events that are of interest to the aviation industry [contact us](#) about getting your events included. Note that the JETNET Global intends to have the most comprehensive calendar in the industry, but also reserves the right to exclude events or organizations based on content review.
- **Dealer Web Site Services** - Why not have your aircraft for sale listings and events dynamically built into your site saving you time and effort. JETNET Global offers dealers with the highest quality web site services including aircraft for sale listings with specs and pictures, event listings, staff biographies, and more. [Contact us](#) for more about our Dealer Web Site Services.
